**CLEAN-UP CAMPAIGN**

The week of April 18 to 23 has been designated by Mayor E. B. January as "Clean-Up-Week," in accordance with instructions from the State Board of Health and from the National headquarters of the Clean-Up-and-Paint-Up campaign. All citizens are requested to clean up their premises and have all rubbish and debris carried away from their premises. In another column of this issue will be found notices from Dr. H. Keller, City Health Officer, and a proclamation from Mayor E. B. January.

**RED TRAIN CALLER AT L. & N. STATION.**

People of Paris, and the traveling public generally, are wondering why L. & N. doesn't have a train caller at the Tenth street passenger station in Paris. This position has been most efficiently filled by James Burke. Since Mr. Burke's transfer to another position the place has been vacant.

As it is at present patrons of the road, except those who are informed, have to take chances on getting on the right train of the many that come into the station at the same time. Under existing things getting on a train is rather a haphazard affair, attended with uncertainty and some danger.

**SPEEDSTERS STILL BUSY**

Speeding by autoists over Pleasant street continues, despite all the warning of the police and the ordinances "made and provided therefor." This nuisance is becoming so distasteful to the residents of Pleasant street, and to pedestrians, who have to cross the street at times, that it is hard to find a safety zone at present. As some of the reckless drivers are determined to even chase the pedestrian up on the sidewalks, it has been noticed that just as soon as the drivers reach this street they go full speed. This is also dangerous to school children. It will be late to stop this dangerous race when some mother's child has been run down, seriously injured or possibly killed.

**BASE BALL SUNDAY**

The second Sunday base ball game at Centerville will be played on the Centerville grounds next Sunday, April 17, between the Centerville and Mayslick crack teams. Both teams have been going strong even early in the season, and a good game is looked for. The game will be called at 2:30 p. m. sharp. The game will draw a large patronage from Paris and the county.  
The newly-organized Paris team, which opened the season Sunday with a game at Centerville, will play at Sterling, Sunday, on the latter's grounds. The batteries will be: Paris—Perkins and Berryman; Mt. Sterling—Wells and Gay. This will be Mt. Sterling's first game of the season. The Paris team will be accompanied by a large delegation of rooters. A fast game is expected, as both teams are in good shape.  
The local team in the future is to be known as the Paris Ruggles Independents. The first game on the home grounds will be played on Sunday, April 24. The park is located on West Second street, easily accessible to the public.

**SUCCESSFUL JARIS JOCKEY**

Jockey Fred Merrimee, of Paris, who has had a very successful season riding at the Havana track the past winter, has signed a contract to ride for F. W. Staton, on the Kentucky tracks this year. Merrimee has taken a high rank among the successful jockeys of this season.

**TAKING DOWN POLES.**

The Western Union Telegraph Co. has a large force of workmen engaged in this vicinity in removing the company's wires from the L. & N.'s poles along the latter's right of way. This is the result of long year's of litigation. The telegraph company, however, has leased the L. & N. wires, the enforced use of which was probably aimed at by the railroad company.

**LEXINGTON SHRINERS TO ERECT PERMANENT HOME**

Oleika Temple, Order of the Mystic Shrine, which second to Kosair Temple, Louisville, has the largest membership of the order in Kentucky, has under consideration plans for the erection of a handsome temple in Lexington as a permanent home. The proposition has been placed in the hands of a special committee of five Shriners, who have viewed a number of sites in Lexington as a suitable location for the proposed structure.  
Oleika Temple has grown to such proportions during the past year that it is with difficulty that a suitable location can be found in Lexington for the holding of its ceremonials, hence the necessity for the erection of a building commensurate with its needs.

**PARIS MAY GET CAPTURED GERMAN GUNS.**

If the bills introduced in the opening session of Congress, Monday, by Congressman J. Campbell Cantrill, are passed, Paris may get one of the German field guns captured during the World War. The towns that are likely to receive one of these captured guns are Paris, Lexington, Winchester, Frankfort, Newcastle, Beatyville, Owenton, Georgetown, Versailles and Lagrange.

Paris was one of the first towns in Central Kentucky to file an application for one of these captured guns. If the city should be successful in obtaining one, as now seems highly probable, a suitable location for the war relic will be secured. The application from Paris was filed a short time after the signing of the armistice, when it was announced that the guns would be distributed as trophies.

**BOURBON GUN CLUB'S OPENING SHOOT TO-DAY.**

Devotees of the pump gun and the elusive clay targets will gather on the Bourbon Gun Club's grounds in East Paris to-day to try their skill over the traps. This will mark the Club's opening shoot for the 1921 season. Special accommodations have been arranged for the comfort of ladies who may attend. The grounds have been put in excellent shape for the initial meeting, and a large attendance is expected, with a number of visiting trap-shooters from surrounding towns. Beautiful and valuable trophies are being displayed in the show window of Mitchell & Blakemore's clothing store.

**AMERICAN LEGION DANCE**

Bourbon Post, American Legion, will give a Moonlight Ball, in the Masonic Temple, on Friday night, April 29. Dancing from 9:30 p. m. to 2:00 a. m. Music by the Legion Orchestra. Admission, \$1.50. You are cordially invited to come and spend an enjoyable evening.

**SCHOOLS CLOSE TO-DAY**

In order that the teachers may have an opportunity of attending the sessions of the Kentucky Educational Association, at Louisville, the Paris City Schools will be closed for one week, beginning to-day. The members of the faculty are members of the State organization.

**BOYS ESCAPE FROM SCHOOL OF REFORM.**

Police and county authorities of Paris and Bourbon county were apprised yesterday from Lexington of the escape of six inmates of the Reform School, at Greendale, near Lexington, and furnished with descriptions of the missing boys.  
The six boys who effected their escape from the institution were Noble Eldridge, Walter Carter, Cecil Clam-pit, Barney Adams, Robert Hambrick and Harry Bryant. All were committed to the institution on charges of petit larceny and housebreaking, and their sentences ranged from two to five years.

**RUMOR HAS NEW MOVIE HOUSE FOR PARIS.**

If present plans now in the preliminary stages are carried out Paris will, in the very near future, have a new and up-to-date movie picture house. It is said that arrangements have passed beyond the rumor stage and that the venture is nearly a certainty.

Fred Levy, of Louisville, head of a corporation controlling a number of movie houses in that city and throughout the State accompanied by Louisville capitalists, was in the city in consultation with a number of Paris business men, seeking to secure their co-operation in furthering the enterprise.

An interview was had with Edward F. Simms, owner of the old Ficklin lot on Main street, between Third and Fourth, which, it was thought, would make an ideal location for the house. It was said yesterday that the members of the party were greatly encouraged by the stand taken by Mr. Simms in the matter, and that every effort will be made to bring the deal to a successful conclusion.

During the past few years rumors of the building of motion picture houses have been current in Paris, but nothing came of them, and the deals made or supposed to be in the making apparently fell through. This time, however, it is said, the venture will be carried through, as the parties interested are financially able to make a success of it.
